Application No. 39590

O R D E R

San Diego & Arizona Eastern Railway Company is authorized to construct a spur track at grade along and across Commercial Street between 30th and 31st Streets in the City of San Diego, San Diego County, at the location described in the application, to be identified as Crossing No. 36D-2.72-C. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two per cent. Protection shall be by one Standard No. 1 crossing sign (General Order No. 75-B) with reflex reflecting sheet material.

Applicant is authorized to deviate from the requirements of Section 3.17 of General Order No. 26-D in so far as it relates to the regularly established line for construction of the future curb, provided that all other clearances created in the future shall comply with the provisions of the general order.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 25th day of MARCH, 1958.
