O P I N I O N

By application filed October 17, 1957, Highway Transport Express seeks an order authorizing it to serve as an express corporation all remaining points and places and over all routes that Highway Transport, Inc., is presently authorized to serve as a highway common carrier.

Public hearing was held in San Francisco on December 16, 1957, before Examiner Rowe, at which time evidence was adduced and the matter duly submitted for decision.

From the evidence of record, the Commission is of the opinion and finds that public convenience and necessity require that the requested authority be granted to applicant.
