

ORIGINALDecision No. 56470

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of the State of
 California, Department of Public
 Works, for an order authorizing
 construction of a crossing at
 separated grades between State
 Route VII-LA-4-LA and the El Paso
 mainline tracks and spur tracks
 of the Southern Pacific Company
 in the City of Los Angeles,
 sometimes referred to as the
 "Alhambra Avenue Overhead".

Application No. 39743

O R D E R

The Department of Public Works of the State of California is authorized to construct the "Alhambra Avenue Overhead" at separated grades in connection with the improvement of State Route 4 (Golden State Freeway) in the City of Los Angeles, Los Angeles County, over tracks of Southern Pacific Company, as described in Exhibit "A" and at the location as shown on Exhibit "B" attached to the application, to be identified as Crossing No. B-483.22-A. Construction and maintenance expenses shall be borne in accordance with terms of an agreement to be entered into between the parties, and a copy of said executed agreement, together with plans approved by the railroad, shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of construction by further order.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This

authorization shall expire if not exercised within two years, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 8th day of April, 1958.
