Case No. 5437  
Petitions Nos. 34 and 41

SUPPLEMENTAL INTERIM OPINION AND ORDER

Decision No. 56625 of April 29, 1958, in this proceeding, found to be justified an increase of six cents a ton in the minimum rates for the transportation of asphaltic concrete products in dump trucks between certain designated zones in Southern Territory. The increased rates are scheduled to become effective June 1, 1958. However, the tariff pages attached to the order to adjust Minimum Rate Tariff No. 7 in line with the intended increase contained certain errors. The tariff pages will be revised to reflect the increase of six cents a ton.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Minimum Rate Tariff No. 7 (Appendix "A" of Decision No. 32566, as amended) be and it is hereby further amended by incorporating therein, to become effective June 1, 1958, the revised pages listed in and attached to the appendix hereto, which pages and appendix by this reference are made a part hereof.

IT IS FURTHER ORDERED that in all other respects, Decision No. 32566, as amended, shall remain in full force and effect.

This order shall become effective May 19, 1958.

Dated at San Francisco, California, this 12<sup>th</sup> day of May, 1958.
