ORDER REVOKING OPERATIVE RIGHTS

De Luxe Water Taxi Company, a California corporation, is authorized to operate as a common carrier of passengers and freight by vessel between points in Long Beach-Los Angeles Harbor area and points on Catalina Island. This carrier's certificates of public convenience and necessity were granted by Decision No. 26214, dated August 7, 1933, in Application No. 18774, Decision No. 34510, dated August 19, 1941, in Application No. 23653, Decision No. 50572, dated September 21, 1954, in Application No. 35287 and Decision No. 51934, dated September 6, 1955, in Application No. 37083.

It has come to the Commission's attention that De Luxe Water Taxi Company has discontinued all of its common carrier services. Moreover, the carrier's president, by letter dated March 28, 1958, informed the Commission that the company "no longer has any intention of operating any further common carrier service, and therefore has no objection to the Commission revoking its certificates of public convenience and necessity ...."

It appears that the common carrier operative rights here involved have been abandoned. Therefore, the certificates of public convenience and necessity issued in these proceedings will be revoked and all effective tariffs and timetables on file with the

Commission in the name of De Luxe Water Taxi Company, a California corporation, and/or De Luxe Water Taxi Company, Inc., will be canceled.

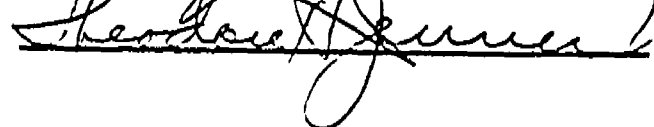

Therefore, good cause appearing,

IT IS ORDERED that all certificates of public convenience and necessity issued to De Luxe Water Taxi Company, a California corporation, and/or De Luxe Water Taxi Company, Inc., are revoked and all of its effective tariffs and timetables on file with the Commission are canceled.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 13<sup>th</sup> day of May, 1958.
