SECOND SUPPLEMENTAL ORDER AMENDING
DECISION NO. 54280

Planada Water Company, a corporation, by Decision No. 55184, dated June 25, 1957, was granted authority to extend the expiration date of its Schedule No. 2LX, Limited Temporary Business Flat Rate Service, from June 30, 1957 to June 30, 1958. Schedule No. 2LX was originally filed by the utility in compliance with Decision No. 54280, dated December 18, 1956, in this application.

By petition for extension of time, filed June 14, 1958, applicant alleges that during the past year it has been necessary to make unexpected expenditures for a new well, water mains, and a pressure tank. Applicant further states that, by reason of these unexpected expenditures, it does not have sufficient funds to purchase the meters required for the elimination of business flat rate service. Applicant therefore requests additional time to continue providing service under Schedule No. 2LX.

It appearing to the Commission that the petition should be granted; therefore,

IT IS HEREBY ORDERED that paragraph 2 of special conditions in Schedule No. 2LX, annexed to Decision No. 54280 herein, as amended by Decision No. 55184, be and it hereby is further amended to read as follows:

"2. This schedule will be effective only to and including June 30, 1959, and will be withdrawn on July 1, 1959."

IT IS HEREBY FURTHER ORDERED that applicant is directed to file in quadruplicate with this Commission after the effective date of this order and in conformity with General Order No. 96 its Schedule No. 2LX revised as indicated hereinabove and, upon not less than one day's notice to the Commission and to the public, to make said schedule effective for service rendered on and after July 1, 1958.

In order that the effectiveness of the subject schedule may be extended beyond its present June 30, 1958 termination date without interruption, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 24th day of June, 1958.
