ORDER

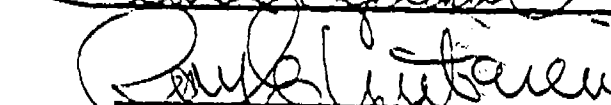

State of California, Department of Public Works, is authorized to construct State Route 4 (U.S. 99) at separated grades over a track of Southern Pacific Company, near Biola Junction, Fresno County, at the location as shown by map (Exhibit B) attached to the application, to be identified as Crossing No. BU-208.0-A. Construction and maintenance expense shall be borne in accordance with an agreement to be entered into between the parties relative thereto, and copy of said agreement, together with plans of said crossing approved by Southern Pacific Company, shall be filed with the Commission within 180 days from the date hereof. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order.

Clearances shall conform to the provisions of General Order No. 26-D except that during the period of construction applicant is authorized to create temporary impaired vertical clearance above top of rail of 20', 0" minimum and Southern Pacific Company is authorized to operate with such impaired overhead clearance, provided it issues appropriate bulletins to employees involved advising them of the temporary impaired clearance and forbidding them to ride on the tops and sides of cars while operating beneath the structure.

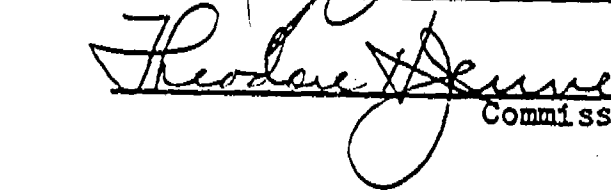

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within two years unless time be extended or if conditions are not complied with. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this late day of
1 JULY, 1958.
