 for the transportation of property. }

Application No. 36411

SUPPLEMENTAL ORDER DENYING APPLICATION

On October 11, 1955, this Commission entered, without hearing, Decision No. 52052 which denied the application here involved. Applicant filed a timely petition for reconsideration or hearing in the matter. On March 13, 1956, this Commission entered an order granting a hearing with respect to Decision No. 52052. The purpose of said order was to permit applicant to present further evidence to the Commission. Applicant has advised the Commission that it has no additional evidence to present in the matter and has asked that the cause be submitted on the record as it now stands.

A public hearing is not necessary.

The Commission has reconsidered the entire record in this matter and is of the opinion that Decision No. 52052 should be reaffirmed.

IT IS ORDERED that Decision No. 52052 is reaffirmed and that Application No. 36411 is denied.

The effective date of this order shall be twenty days after the date hereof.

Dated at Los Angeles, California, this 5th day of August, 1958.
