service one year.) Application No. 5603

ORDER REVOKING OPERATIVE RIGHTS

D. S. Mitchell, doing business as Mitchell's Stages, holds certificates of public convenience and necessity authorizing the transportation of freight in the vicinity of Susanville.¹

By Decision No. 53878, dated October 9, 1956, in Application No. 38396, the certificates were suspended until October 1, 1957, at Mitchell's request. The request was based upon his conclusions that there was no longer a public need for the service. Mitchell has no liability insurance on file with the Commission. On October 1, 1957, his radial highway common carrier permit was revoked.

It appears that public convenience and necessity no longer require the operations here involved and that they have been abandoned. Therefore, the certificates of public convenience and necessity issued in these proceedings and held by D. S. Mitchell, doing business as Mitchell's Stages, will be canceled
