O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across Bledsoe Street in the City of Los Angeles, Los Angeles County, at the location described in the application, to be identified as Crossing No. B-459.75-C. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding four per cent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B) with reflex reflecting sheet material.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant declares that the industry to be served will be needing rail service immediately and requests that the 20-day clause be waived in this instance. The effective date of this order is therefore the date hereof.
