Application No. 39436

ORDER

The Department of Public Works of the State of California is authorized to construct a sidewalk at separated grades adjacent to and southerly of the existing Camarillo Overhead (Crossing No. E-416.7-A) in the City of Camarillo, Ventura County, over the Coast Line tracks of Southern Pacific Company, as described in Exhibit "A" and at the location shown on Exhibit "B" attached to the application, to be identified as Crossing No. E-416.6-AD. Clearances shall conform to the provisions of General Order No. 26-D. Construction and maintenance expenses shall be borne in accordance with the terms of an agreement entered into between the County of Ventura, the State of California, and Southern Pacific Company, dated April 24, 1958. Plans approved by the railroad shall be filed with the Commission prior to commencing construction.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless

time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 26th day of August, 1958.
