BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)	
Charles C. Canlas, dba Peninsula)	
Delivery and Transport Company, for)	Application No. 40320
exemption from the provisions of)	
General Order 84C Regarding C.O.D.)	
Bond.)	

OPINION AND ORDER

Applicant holds radial highway common carrier and city carrier permits. Under the provisions of General Order No. 84-C, he may not handle C.O.D. (collect on delivery) shipments until he provides a bond of not less than \$2,000 and files such a bond with the Commission. Applicant seeks exemption from these requirements in connection with shipments transported for Bennetts and Son, located in Burlingame, and for San Mateo Pharmacy, Smith & Dahl, and Bluebird Drug Co., located in San Mateo. The shippers have informed the Commission in writing that the bonding of applicant is not necessary in connection with their C.O.D. consignments.

The bonding provisions were established primarily for the protection of shippers. Since that protection has been voluntarily waived by the shippers involved, it appears that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted extends only to shipments transported for Bennetts and Son, located in Burlingame, and for San Mateo Pharmacy, Smith & Dahl, and Bluebird Drug Co., located in San Mateo. Should applicant desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a

one-year period and made subject to such earlier cancellation, change or extension as circumstances may require.

Therefore, good cause appearing,

IT IS ORDERED that Charles C. Canlas, doing business as Peninsula Delivery and Transport Company, is hereby authorized to handle C.O.D. shipments for Bennetts and Son, located in Burlingame, and for San Mateo Pharmacy, Smith & Dahl and Bluebird Drug Co., located in San Mateo, without providing and filing the bond required by General Order No. 84-C; that this authority shall expire one year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84-C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 10th day of September, 1958.
