tion at grade of an industrial)
spur track across Brawley Road, in)
the County of Fresno, State of)
California.)

Application No. 40368

ORDER

Southern Pacific Company is authorized to construct a spur track at grade across Brawley Road near Crayold, Fresno County, at the location described in the application, to be identified as a portion of Crossing No. BA-204.2. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding four percent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B) reflectorized with reflex-reflective sheet material. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant states that the industry is in need of receiving

spur track service as soon as possible because of the expected early movement of perishable freight. Therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 7th day of OCTOBER, 1958.
