Decision No. 57498

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of W. P. Stephenson, dba Airport Stages, a limousine service operating between Whittier, Downey, Bell Gardens, Huntington Park, South Gate and Los Angeles International Airport, to cease operations as of the close of the day's operation October 31, 1958.

Application No. 40508

## ORDER OF REVOCATION

W. P. Stephenson, doing business as Airport Stages, requests authority to discontinue a passenger stage service between Whittier, Downey, Bell Gardens, Huntington Park, South Gate and Los Angeles International Airport.

As justification applicant alleges that it has become financially impracticable to continue the service. For the year ending July 31, 1958, applicant suffered a net loss of \$6,665.91. Concurrently with the filing of the application, copies thereof were served upon the cities of Whittier, Downey, Bell Cardens, Huntington Park, South Gate and upon the Los Angeles International Airport. No protest has been received.

After consideration the Commission is of the opinion and so finds that public convenience and necessity no longer require a continuation of applicant's service. A public hearing is not necessary.

## ORDER

Application having been filed and the Commission being informed in the premises,

## IT IS ORDERED:

- (1) That on October 31, 1958 and on not less than two days' notice to the Commission and the public, W. P. Stephenson, doing business as Airport Stages, may discontinue passenger stage service between Whittier, Downey, Bell Gardens, Huntington Park, South Gate and the Los Angeles International Airport.
- (2) That all tariffs and timetables presently on file with this Commission in applicant's name are hereby canceled.
- (3) That the operative rights created by Decision No. 56756, dated May 27, 1958, in Application No. 39990 are hereby revoked.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 2/48 day

of Ortology, 1958.
