ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 53930 dated October 16, 1956, in this proceeding, Frank Lawrence was granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of fruits and vegetables between Mecca, Thermal, Indio and Coachella, on the one hand, and Los Angeles, on the other hand. By Order Extending Time dated April 2, 1957, the time within which to file tariffs and establish the service was extended to June 24, 1957.

Applicant has not accepted the certificate nor filed tariffs required by Decision No. 53930, supra. By letter dated July 18, 1958, the Secretary of the Commission wrote applicant regarding the filing of tariffs. No reply to this letter has been received. It appears that the certificate should be revoked.

Therefore, good cause appearing,

IT IS ORDERED that the certificate of public convenience and necessity granted to Frank Lawrence by Decision No. 53930 dated October 16, 1956, in Application No. 36421, is hereby revoked.

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served upon Frank Lawrence in the manner prescribed by law.

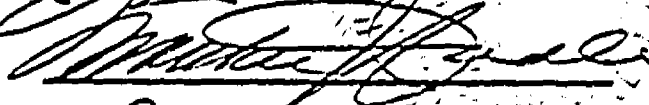

The effective date of this order shall be the twentieth day after lawful service thereof upon Frank Lawrence unless, before such effective date, he shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

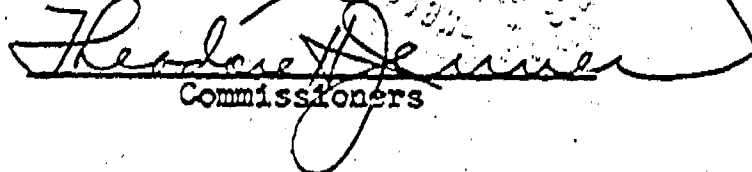

Dated at San Francisco, California, this 20th day of December, 1958.
