

ORIGINALDecision No. 57805

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of)
 RICHARD A. JOHANSON for a renewal or) Application No. 40596
 reissuance of a license as a Motor }
 Transportation Broker. }

O P I N I O N

In the above-entitled proceeding Richard A. Johanson requests the Commission to renew his license to transact the business of a motor transportation broker at 619 West Belmont Avenue, Fresno, California, as originally granted by Decision No. 51584. The record shows that he is the secretary-treasurer of the corporation, D. D. Byrnes, Inc., doing business as California Trucking Exchange. The corporation, by endorsement, has joined in this application. A co-applicant form of surety bond has been executed by the corporation as principal.

The business consists of arranging for the transportation of unmanufactured agricultural commodities in interstate commerce which is exempt from regulation by Section 203(b)(6) of the Interstate Commerce Act. The motor carriers to be used by applicant are engaged in interstate commerce exclusively and are not required to hold any certificates or permits issued by the Interstate Commerce Commission.

Applicant points out that because of the numerous carriers used by him with few repetitions the Commission licensed him to arrange for the transportation and immediately notify the Commission in writing of the name of the carrier being used at the time together with its address. He requests that he be authorized to continue such practice.

After full consideration of applicant's request we find no reason to withhold issuance of a license as applied for.

O R D E R

An application therefor having been filed, the Commission being informed therein and good cause appearing,

IT IS ORDERED:

equal to the value of the cargo, provided insurance in the sum of \$10,000 shall suffice.

(3) That the Secretary of the Public Utilities Commission shall issue and deliver to Richard A. Johanson a license certificate as a motor transportation broker in the form heretofore adopted by the Commission for such license certificate and subject to the conditions hereinabove set forth, provided that the names of the motor carriers applicant is authorized to serve need not be set forth therein, but in the space provided in said license certificate for such names there shall be stated the following:

"Licensee is authorized only to negotiate for or hold himself out as one who furnishes or provides transportation in interstate commerce over the public highways as a motor transportation broker on behalf of the motor carriers now included in the order of the Public Utilities Commission granting this license or subsequently included by amendment."
