a Highway Common Carrier.)

Application No. 36444

ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 53412 dated July 13, 1956, in this proceeding, John Young was granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of potatoes and onions between Perris and Nuevo, on the one hand, and Los Angeles and San Diego on the other hand.

Applicant has not accepted the certificate nor filed tariffs as required by Decision No. 53412, supra. It appears that the certificate of public convenience and necessity should be revoked.

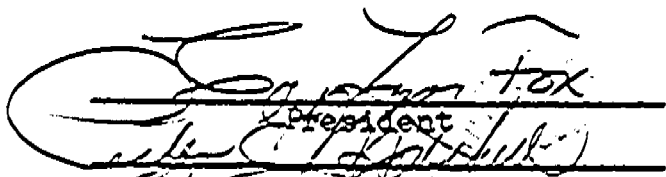

Therefore, good cause appearing,

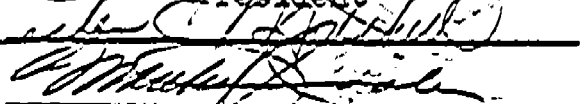

IT IS ORDERED that the certificate of public convenience and necessity granted to John Young by Decision No. 53412 dated July 13, 1956, in Application No. 36444 is hereby revoked.

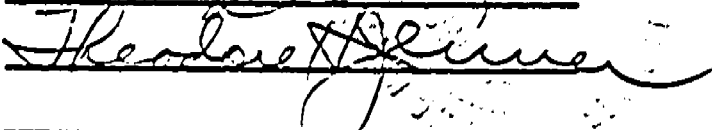

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served upon John Young in the manner prescribed by law.

The effective date of this order shall be the twentieth day after the lawful service thereof upon John Young, unless before such effective date, he shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 20th day of January, 1959.
