Decision No. 57970

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
ARTHUR R. KERSTETTER for a license)
as a Motor Transportation Broker.)

Application No. 40655

O P I N I O N

By Decision No. 56055 the Commission granted to Arthur R. Kerstetter a license to engage in business as a motor transportation broker at Fresno, California. Inasmuch as that license expired on December 31, 1958, he asks the Commission to issue a new license to him for the year 1959, made retroactive to January 1.

Applicant would continue to arrange for transportation of general commodities intrastate within California. It appears from his application that he plans to serve the same carriers used during the year 1958.

After full consideration of all the evidence in this proceeding we find no reason to withhold issuance of the new license sought by applicant. A surety bond in the continuous form required by law is on file with the Commission. No public hearing appears to be necessary and the application will be granted.

Application as above entitled having been filed and based upon the conclusions expressed in the foregoing opinion,
