for the transportation of property.)	

ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 54368 dated July 20, 1956, as amended, in this proceeding, George F. Lloyd Transportation Co. was granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of coffee, prepared animal or poultry feed and certain canned goods and related articles between Sacramento, on the one hand and San Francisco and Los Angeles Territories, on the other hand.

Decision No. 54368, supra, required applicant to file a written acceptance of the certificate and to file tariffs satisfactory to the Commission. The acceptance of the certificate was filed on September 1, 1956, but the tariff filings have not been made. The carrier asserts that it does not perform any operations under the certificate. It appears that the certificate should be revoked.

Therefore, good cause appearing,

IT IS ORDERED that the certificate of public convenience and necessity granted by Decision No. 54368, dated July 20, 1956, in Application No. 36371 is hereby revoked.

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served upon George F. Lloyd Transportation Co. in the manner prescribed by law.

The effective date of this order shall be the twentieth day after the lawful service thereof upon George F. Lloyd Transportation Co. unless before such effective date, it shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 9th day of February, 1959.
