ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 56719, dated May 20, 1958, in this proceeding, Poole Truck Lines, Inc., was granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of specified commodities between various points in the Los Angeles area and between points in that area and San Diego, Pomona, Riverside and San Bernardino.

Applicant did not file an acceptance of the certificate nor file tariffs as required by Decision No. 56719, supra. In addition it has been brought to the attention of the Commission by its Transportation Division that applicant's permit authorities were revoked May 27, 1958, for lack of liability insurance as required by General Order No. 100-A. According to applicant, it has not operated as a highway carrier since the beginning of 1958. It appears that the certificate should be revoked.

Therefore, good cause appearing,

IT IS ORDERED that the certificate of public convenience and necessity granted Poole Truck Lines, Inc., by Decision No. 56719, dated May 20, 1958, in Application No. 36501, is hereby revoked.

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served upon Poole Truck Lines, Inc., in the manner prescribed by law.

The effective date of this order shall be the twentieth day after the lawful service thereof upon Poole Truck Lines, Inc., unless before such effective date, it shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 9th day of February, 1959.
