Case No. 5432
 (Order Setting Hearing
 dated June 26, 1956)

ORDER DISCONTINUING PROCEEDING

By Order Setting Hearing, dated June 26, 1956, in Case No. 5432, the Commission ordered that hearings be held for the purpose of determining whether Minimum Rate Tariff No. 2 should be amended to include a reduced rate proposed by Winans Bros. Trucking Co., a highway common carrier, for the transportation of lumber and forest products from Hayfork to Redding. Decision No. 54210 of December 4, 1956, in this proceeding, ordered that the proceeding be continued and its disposition deferred pending disposition of other phases of this case.

In Decision No. 58086 of March 2, 1959, in Case No. 5436 (Petition No. 12 and Order Setting Hearing, dated October 30, 1956) involving a similar rate question, the Commission found after hearing that publication of such rates in the minimum rate tariffs would not be in the public interest. Accordingly, the Order Setting Hearing, dated June 26, 1956, in Case No. 5432, will be discontinued.

Therefore, good cause appearing,

IT IS ORDERED that Order Setting Hearing, dated June 26, 1956, in Case No. 5432, is hereby discontinued.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 24th day of March, 1959.
