SECOND SUPPLEMENTAL ORDER

By Decision No. 55457, dated August 27, 1957, the Commission authorized The Siskiyou Telephone Company to issue \$797,000 of notes to the United States of America, acting through the Rural Electrification Administration, for the purposes of financing the cost of expanding, rehabilitating and improving its facilities and service, and of paying outstanding indebtedness.

The Commission required the company to deposit the proceeds from the issue of the notes in a special bank account. At the outset, the Commission authorized the company to withdraw

not to exceed \$187,000 of such proceeds to pay existing debts; to cover engineering, legal and other expenses; to provide for the purchase of land and buildings; and to permit the acquisition of office equipment, and directed that the remaining proceeds should be used only for such purposes as the Commission may authorize in a supplemental order, or orders. The Commission required the company to file copies of such requisitions as it might make on the Rural Electrification Administration for the use of such remaining proceeds. By the first supplemental order in the above-entitled proceeding, the Commission approved the disbursement of \$102,207.75 of the remaining proceeds. Applicant now seeks approval of additional expenditures of \$193,987.08 for construction and engineering purposes.

The Commission has considered this matter and is of the opinion that an order should be entered approving the withdrawal of proceeds in the amount of \$193,987.08, therefore,

IT IS ORDERED that the requisition of The Siskiyou Telephone Company to draw down \$193,987.08 of proceeds from the issue of the notes authorized by Decision No. 55457, dated August 27, 1957, hereby is approved, and The Siskiyou Telephone Company hereby is authorized to disburse said sum of \$193,987.08 for the purposes indicated in said requisition.

This second supplemental order will become effective on the date hereof.

Dated at Los Angeles, California, this 28th day of April, 1959.
