 public convenience and necessity to) Application No. 39056
 operate AIRPORT BUS SERVICE between)
 Yreka, California and Siskiyou Airport)
 via Montague.)

ORDER OF REVOCATION

By Decision No. 55245 dated July 9, 1957 in Application No. 39056 Frank N. Brazille, doing business as Airport Bus Service, was granted a certificate of public convenience and necessity authorizing him to operate as a passenger stage corporation for the transportation of persons, their baggage and express shipments weighing not in excess of 100 pounds each, such shipments to be transported by passenger vehicles only, between Yreka and Siskiyou County Airport and intermediate points.

By Decision No. 56582 dated April 22, 1958 in Application No. 39056 Frank N. Brazille, doing business as Airport Bus Service, was authorized to suspend passenger stage service until April 8, 1959. This suspension was granted at the request of Frank N. Brazille in which he alleged that passenger stage service was not required since the Civil Aeronautics Board had granted Southwest Airways permission to suspend air service into the Siskiyou County Airport.

By letter to the Commission dated April 6, 1959 Frank N. Brazille states it appears that Southwest Airways will not resume air service to the Siskiyou County Airport for several years. He requests that the certificate of public convenience and necessity issued to him by this Commission be revoked.

Frank N. Brazille, doing business as Airport Bus Service, does not have evidence of insurance on file with the Commission as required by General Order No. 101.

Therefore, good cause appearing,

IT IS ORDERED that the certificate of public convenience and necessity granted by Decision No. 55245, dated July 9, 1957 is hereby revoked. All effective tariffs and timetables on file with the Commission in the name of Frank N. Brazille, doing business as Airport Bus Service, are hereby revoked and cancelled.

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served on Frank N. Brazille in the manner prescribed by law.

The effective date of this order shall be the twentieth day after lawful service thereof upon Frank N. Brazille unless, before such effective date, he shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at Los Angeles, California, this 28th day of April, 1959.
