Application No. 40657

O R D E R

The Department of Public Works of the State of California, in connection with the improvement of State Route 12, is authorized to construct the El Cajon Overhead over the San Diego & Arizona Eastern Railway Company's La Mesa Branch in San Diego County as described in Exhibit "A" and in the manner as shown on Exhibit "B" attached to the application, to be identified as Crossing No. 36D-16.0-A.

Construction and maintenance expenses shall be borne in accordance with terms of an agreement to be entered into between the parties and a copy of said executed agreement, together with plans approved by the railway, shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the costs of construction and maintenance by further order.

Clearances shall be in accordance with the provisions of G. O. No. 26-D, except as follows:

During the period of construction, applicant is authorized to create a temporary minimum vertical clearance of 20'0" above top

of rail, and San Diego-Arizona Eastern Railway is authorized to operate with such reduced clearance provided it issue appropriate bulletins to train crews advising them of the temporary impaired overhead clearance and forbidding them to ride on the tops of cars while operating beneath the structure.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within two years, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 5th day of May, 1959.
