OPINION AND ORDER

On April 14, 1959 the Commission issued Decision No. 58276 amending the applicant's certificate of public convenience and necessity by issuing First Revised Page 30-A of Appendix A to Decision No. 55090, which canceled Original Page 30-A of that decision. It has come to the Commission's attention that First Revised Page 30-A refers to "6th Street Expansion," whereas the correct wording should be "6th Street Extension"; now therefore,

IT IS ORDERED that Appendix A of Decision No. 55090 is hereby amended by incorporating therein Second Revised Page 30-A of Appendix A attached hereto and made a part hereof.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 19th day of May, 1959.

In witness whereof
