Decision No. 58497

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of DOMINIC A. MANNINO, dba M & M CHARTER LINES, to amend certificate of public convenience and necessity heretofore granted by the Public Utilities Commission of the State of California in Decision No. 56315 on Application No. 39519, dated March 3, 1958.

Application No. 41049

O P I N I O N

By Decision No. 56315, dated March 3, 1958, applicant was granted authority to transport persons (1) between San Pedro and the Los Angeles Coliseum, (2) between Long Beach and Marineland of the Pacific Oceanarium, and (3) between Long Beach, Los Alamitos Bay, Los Cerritos Ranch House and Pierpoint Landing. The service between San Pedro and the Los Angeles Coliseum was to be rendered only for persons desiring to attend Coliseum events and the services between Long Beach and other points as in parts (2) and (3) were to be rendered as a sightseeing service and only on a round-trip basis.

Applicant states that in filing the original application it was its intention to seek permission to render the proposed services on an "on-call" basis for a minimum of fifteen (15) adult round-trip fares, and that it did not discover until recently that such a provision was not included in the certificate which was issued. Applicant alleges that none of the said services can be profitably operated except on an "on-call" basis and requests that its certificate be amended to provide for such type of operation.

The Commission finds that the proposed change is in the public interest and the application will be granted. A public hearing is not deemed necessary.

O R D E R

Application having been made, the Commission finding that public convenience and necessity so require,

IT IS ORDERED that Dominic A. Mannino, doing business as M & M Charter Lines, may operate its services as authorized by Decision No. 56315 on an "on-call" basis and Appendix B of said decision is hereby amended by incorporating therein First Revised Pages 1 and 2 of Appendix B attached hereto and made a part hereof.

Applicant shall, within sixty days after the effective date hereof, and on not less than five days' notice to the Commission and to the public, amend its tariffs and timetables to reflect the authority herein granted.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 22nd day of May, 1959.
