ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 58365, dated May 5, 1959, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of Liberty Freight Lines, unless prior to the effective date of that decision applicant shall have filed evidence of adequate liability insurance, in which event the order would be stayed. Applicant filed the required evidence of insurance prior to the effective date of the decision in question, thereby staying the effective date. Inasmuch as evidence of adequate insurance is on file, the order of suspension in Decision No. 58365, supra, will be vacated.

Applicant Liberty Freight Lines is hereby placed on notice that operations conducted without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. It is emphasized that the filing of evidence of insurance with a retroactive effective date to cover the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order. In the event applicant should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

A. 36385-AC

Therefore, good cause appearing,

IT IS ORDERED that Decision No. 58365, dated May 5, 1959,  
in Application No. 36385, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 16<sup>th</sup> day of  
June, 1959.
