ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 52385, dated December 20, 1955, in this proceeding, R. E. Tharp, Inc., a corporation, was granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of certain specified commodities between Chowchilla, on the one hand, and San Francisco, Oakland, Alameda, Visalia, and points on U. S. Highway 99 between Los Angeles and Sacramento, both inclusive, on the other hand; and cotton, between San Francisco, on the one hand, and Fresno and Bakersfield, on the other hand.

Decision No. 52385, supra, ordered that in providing service pursuant to the certificate therein granted, R. E. Tharp, Inc., shall, within the period therein specified, establish the service and file and concurrently make effective tariffs satisfactory to the Commission. The required tariffs not having been filed, and the Commission being of the opinion and finding that such failure constitutes good cause for the revocation of the certificate,

IT IS ORDERED that the certificate of public convenience and necessity granted R. E. Tharp, Inc., a corporation, by Decision No. 52385, dated December 20, 1955, in Application No. 36126, is hereby revoked.

The Secretary is directed to cause service of a certified copy of this order to be made upon R.E. Tharp, Inc.

The effective date of this order shall be the twentieth day after service thereof upon R.E. Tharp, Inc., unless before such effective date, it shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 16th day of June, 1959.
