ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 58560, dated June 8, 1959, in this proceeding, suspended the certificate of public convenience and necessity of Edwin J. Bieler and Bernerd Shapiro, effective June 16, 1959, due to their not having on file adequate liability insurance as required by General Order No. 100A. Applicants filed the required evidence of insurance June 16, 1959, with a retroactive effective date of June 6, 1959. Inasmuch as evidence of adequate insurance is on file, the order of suspension in Decision No. 58560, supra, will be vacated.

Applicants Edwin J. Bieler and Bernerd Shapiro are hereby placed on notice that the conducting of operations without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. It is emphasized that the filing of evidence of insurance with a retroactive effective date to cover the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order.

In the event applicants should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

Therefore, good cause appearing,

IT IS ORDERED that Decision No. 58560, dated June 8, 1959, in Application No. 38929, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 29<sup>th</sup> day of June, 1959.
