Application No. 41137

ORDER

The verified application of Southern Pacific Company filed on May 13, 1959 discloses that no passenger or freight business has been transacted at applicant's station of Nacimiento, Monterey County during the past two years and that continued maintenance thereof is not necessary.

Notice of the application has been given to various parties thought to be interested and no protests have been received. A public hearing does not appear to be necessary.

It being found that public convenience and necessity no longer requires the maintenance of such service, Southern Pacific Company is authorized to abandon its non-agency station of Nacimiento, County of Monterey, to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public. Such tariff changes shall quote this decision number as the requisite authority. This order shall not be construed as authorization to increase rates or charges.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 29th day of June, 1959.
