ORDER SUSPENDING OPERATIVE RIGHTS

Nicholas C. Conteas and Nicholas Kavoras, copartners, doing business as California Auto Transport, possess a highway common carrier certificate authorizing the transportation of motor vehicles and other specified types of vehicles, parts and equipment over all principal highways in California.

The liability insurance policy of Nicholas C. Conteas and Nicholas Kavoras lapsed as of July 1, 1959. Evidence of liability protection required by General Order No. 100A not being on file, and the Commission being of the opinion and finding that such failure constitutes good cause for suspension of such certificate and of tariffs applicable to service thereunder,

IT IS ORDERED as follows:

(1) The certificate of public convenience and necessity to operate as a highway common carrier acquired by Nicholas C. Conteas and Nicholas Kavoras by Decision No. 47925, dated November 18, 1952, in Application No. 33824, is suspended pending further order.

(2) All tariffs issued by or on behalf of Nicholas C. Conteas and Nicholas Kavoras are suspended pending further order. A copy of this order shall be filed with said tariffs in the office of the Commission.

The Secretary is directed to cause service of a certified copy of this order to be made upon Nicholas C. Conteas and Nicholas

Kavoras and a copy of this order to be mailed to T.A.L. Loretz, Agent.

The effective date of this order shall be the fifth day after such service, unless before such effective date Nicholas C. Conteas and Nicholas Kavoras shall have filed with this Commission evidence of insurance protection as required by General Order No. 100A, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 7th day of July, 1959.
