Application No. 37879

ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 58613, dated June 16, 1959, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of Riccardo Tunzi, Elio Sartori and Sergio Sartori unless prior to the effective date of that decision applicants shall have filed evidence of adequate liability insurance in which event the order would be stayed. Applicants filed the required evidence of insurance June 19, 1959, with a retroactive effective date of January 1, 1959. Inasmuch as evidence of adequate insurance is on file, the order of suspension in Decision No. 58613, supra, will be vacated.

Applicants Riccardo Tunzi, Elio Sartori and Sergio Sartori are hereby placed on notice that the conducting of operations without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. It is emphasized that the filing of evidence of insurance with a retroactive effective date to cover the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order. In the event applicants should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

A. 37879-AC

Therefore, good cause appearing,

IT IS ORDERED that Decision No. 58613, dated June 16, 1959, in Application No. 37879, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 1th day of July, 1959.

President
