ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 55182, dated June 25, 1957, in this proceeding, F. N. Rumbley Company, a corporation, was granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of specified commodities between all points and places on and over certain routes as described in Appendix A to that decision.

Decision No. 55182, supra, ordered that in providing service pursuant to the certificate therein granted, F. N. Rumbley Company, shall, within the period therein specified, establish the service and file and concurrently make effective tariffs satisfactory to the Commission. Five extensions of time for the filing of tariffs have been granted, the latest of which expired May 6, 1959. The required tariffs not having been filed, and the Commission being of the opinion and finding that such failure constitutes good cause for the revocation of the certificate,

IT IS ORDERED that the certificate of public convenience and necessity granted F. N. Rumbley Company by Decision No. 55182, dated June 25, 1957, in Application No. 36251, is hereby revoked.

The Secretary is directed to cause service of a certified copy of this order to be made upon F. N. Rumbley Company.

A. 36251-AC

The effective date of this order shall be the twentieth day after service thereof upon F. N. Rumbley Company, unless before such effective date it shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 14th day of July, 1959.
