

Decision No. 58955

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
FRESNO CITY LINES, INC., a corporation,
for amendment of existing Certificate
of Public Convenience and Necessity to
revise the routing of the No. 8 Pine-
dale route to conform to traffic regu-
lations as a result of new highway
construction.

Application No. 41282

O P I N I O N

Fresno City Lines, Inc., requests authority to amend its Pinedale Route No. 8 so as to operate between the intersections of Palm Avenue and Van Ness Boulevard and Rialto Avenue and Van Ness Boulevard via Palm Avenue and Rialto Avenue.

It is alleged that with the development of the residential streets and highway system in the vicinity of Palm Avenue and Van Ness Boulevard, applicant is no longer able to make left turns from Palm Avenue to Van Ness Boulevard.

After consideration the Commission is of the opinion that public convenience and necessity require the proposed route amendment. A public hearing is not necessary.

O R D E R

Application having been filed and the Commission being informed in the premises,

IT IS ORDERED:

(1) That Fresno City Lines, Inc., may reroute its No. 8 Pinedale route between the intersections of Palm Avenue and Van Ness Boulevard and Rialto Avenue and Van Ness Boulevard via Palm Avenue and Rialto Avenue.

(2) That Appendix A of Decision No. 54331 is hereby amended by incorporating First Revised Page 9 attached hereto.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 1st day of September, 1959.
