Modification No. 5

SUPPLEMENTAL OPINION AND ORDER

Decision No. 58901 of August 18, 1959, in this proceeding, increased certain minimum rates in Minimum Rate Tariff No. 10 in connection with the transportation of cement and related products between points in the Northern Territory as defined in that tariff. The changes are scheduled to become effective September 25, 1959. It has come to the Commission's attention that an error was made in the tariff page attached to the order. The necessary correction will be made effective concurrently with the rate adjustment in question.

Therefore, good cause appearing,

IT IS ORDERED that Minimum Rate Tariff No. 10 (Appendix "A" to Decision No. 44633, as amended) is hereby further amended by incorporating therein, to become effective September 25, 1959, Fifth Revised Page 12, which page is attached hereto and by this reference made a part hereof.

In all other respects, Decision No. 58901 shall remain in full force and effect.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 10th day of September, 1959.
