Decision No. 59132

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
Charles C. Canlas DBA Peninsula)
Delivery and Transport Company for) Application No. 41478
exemption from the provisions of)
General Order 84C regarding C.O.D.)
Bond.)

OPINION AND ORDER

Applicant holds radial highway common carrier and city carrier permits. Under the provisions of General Order No. 84C, he may not handle C.O.D. shipments until a bond of not less than \$2,000 is provided and such a bond is on file with the Commission. He seeks exemption from these requirements in connection with shipments transported for the shippers hereinafter designated. The application is accompanied by letters from the shippers stating that they do not find it necessary for applicant to carry a surety bond for the purpose of protecting the return of their C.O.D. funds.

The bonding provisions were established primarily for the protection of shippers. Since that protection has been voluntarily waived by the shippers involved in this application, it appears that the sought exemption is justified. A public hearing is not necessary.

The exemption hereinafter granted extends only to shipments transported for the specified shippers at the specified location. Should applicant desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period and made subject to such earlier cancellation, change or extension as circumstances may require.

Therefore, good cause appearing,

IT IS ORDERED that Charles C. Canlas, doing business as Peninsula Delivery and Transport Company, is hereby authorized to handle C.O.D. shipments for Bennetts and Son, located in Burlingame, and for San Mateo Pharmacy, Bluebird Drug Co. and Walgreen Drug Co., located in San Mateo, without providing and filing the bond required by General Order No. 84C; that this authority shall expire one year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 6th day of October, 1959.
