Application No. 41127

O R D E R

County of Siskiyou is authorized to widen the crossing of Oberlin Road at grade with a track of Yreka Western Railroad Company, Crossing No. 47-8.5 (inadvertently referred to in the application as No. 47-8.4) near Yreka, Siskiyou County, as described in the application and in accordance with the plan attached thereto. Width of crossing shall be not less than thirty-two feet and grades of approach not greater than two percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 8 crossing signals (General Order No. 75-B).

Construction expense shall be apportioned by agreement between the parties or, if they fail to agree, by further order of the Commission. Maintenance cost outside of lines two feet outside of rails shall be borne by applicant. Yreka Western Railroad Company shall bear maintenance cost between such lines.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless

time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 10th day of November, 1959.
