Application No. 37868

ORDER SUSPENDING OPERATIVE RIGHTS

By Decision No. 53032, dated May 8, 1956, in this proceeding, Glenn Daniels and Milton Daniels, copartners, doing business as Daniels Bros., were granted a certificate of public convenience and necessity to operate as a highway common carrier for the transportation of general commodities between Fall River Mills, McArthur, Pittville and Little Valley.

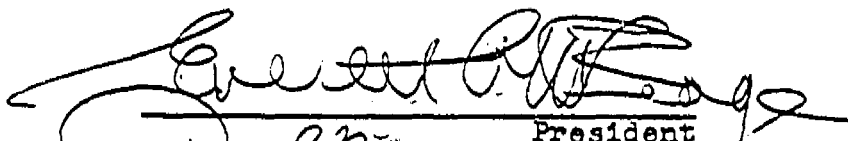

Decision No. 53032, supra, ordered that in providing service, pursuant to the certificate therein granted, Glenn Daniels and Milton Daniels shall, within the period therein specified, establish the service and file and concurrently make effective tariffs satisfactory to the Commission. Tariffs have not been filed. In addition, the liability insurance policy of Glenn Daniels and Milton Daniels lapsed as of September 17, 1959. The required tariffs not having been filed, evidence of liability protection required by General Order No. 100A not being on file, and the Commission being of the opinion and finding that such failures constitute good cause for the suspension of the certificate,

IT IS ORDERED that the certificate of public convenience and necessity granted Glenn Daniels and Milton Daniels by Decision No. 53032, dated May 8, 1956, in Application No. 37868, is hereby suspended pending further order.

The Secretary is directed to cause service of a certified copy of this order to be made upon Glenn Daniels and Milton Daniels.

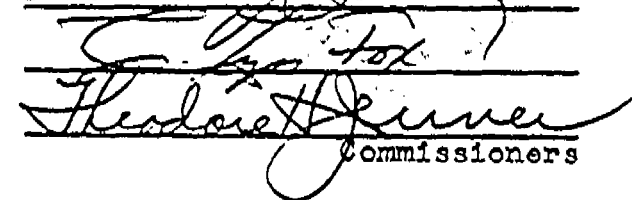

The effective date of this order shall be the fifth day after service thereof upon Glenn Daniels and Milton Daniels, unless before such effective date they shall have filed with this Commission a written response to this order denying the facts set forth herein, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 10th day of November, 1959.
