ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 59044, dated September 22, 1959, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of Suburban Fuel Co., a California corporation, doing business as Statewide Tank Lines, unless prior to the effective date of that decision applicant shall have filed evidence of adequate liability insurance, in which event the order would be stayed. Inasmuch as evidence of adequate insurance is now on file, the order of suspension in Decision No. 59044, supra, will be vacated. Although the Secretary of the Commission was twice unable to effect service of said decision upon the carrier by registered mail, the order herein will serve to clear the Commission's file by vacating the suspension involved.

Suburban Fuel Co. is hereby placed on notice that operations conducted without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. The carrier is reminded that its belated filing of evidence of insurance with the Commission resulted in a lapse of its insurance coverage, contrary to the requirements of General Order No. 100A. In the event Suburban Fuel Co. should operate in the future without having the required evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

A. 39597-AC

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 10th day of November, 1959.
