OPINION AND ORDER

Applicant holds radial highway common, highway contract and city carrier permits. Prior orders in Application No. 39502 authorized it, as a city carrier under Section 4015 of the Public Utilities Code, to perform within the City and County of San Francisco the services of unloading and segregating pool car shipments of periodicals for The Cuneo Press without assessing the charges set forth in paragraph (d) of Item No. 220 series of City Carriers' Tariff No. 1-A for marking, stenciling, tagging or labeling. That authority is scheduled to expire January 5, 1960. Permission is sought to continue to deviate from the minimum rates for a further one-year period.

The application alleges that the cost to applicant of performing the services of unloading and segregating is less now that applicant marks or stencils the bundles of periodicals than it would be if the shipper marked or stenciled them; that the savings realized by applicant in the course of unloading and segregating far outweigh the small cost to applicant of such services; and that the relief sought will result in operating economies to applicant without loss of revenue. The application shows that, on or about December 1, 1959, a copy thereof was served upon the Draymen's

Association of San Francisco, Inc. No objection to its being granted has been received.

In the circumstances, it appears, and the Commission finds, that applicant's proposal is reasonable and consistent with the public interest. A public hearing is not necessary. The application will be granted. In view of the expiration date of the current authority, the order which follows will be made effective January 5, 1960.

Therefore, good cause appearing,

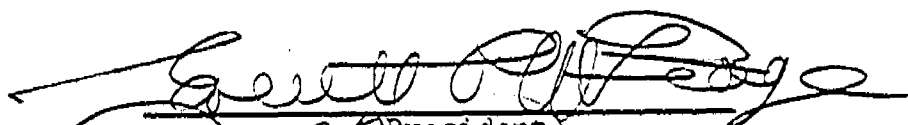

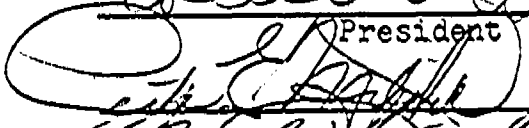

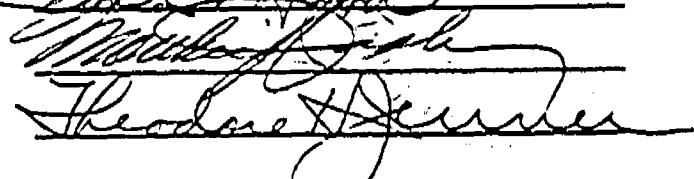

IT IS ORDERED:

(1) That San Francisco Warehouse Co., a corporation, is hereby exempted from assessing the charges prescribed in paragraph (d) of Item No. 220 series of City Carriers' Tariff No. 1-A for performing the services designated as marking, tagging, stenciling, or labeling in connection with pool car shipments of periodicals for The Cuneo Press.

(2) That the authority herein granted shall expire January 5, 1961, unless sooner canceled, changed or extended by order of the Commission.

The effective date of this order shall be January 5, 1960.

Dated at San Francisco, California, this 21st day of December, 1959.
