

Decision No. 59545

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SAME DAY DELIVERY SERVICE, a corporation, to purchase, and of JAMES G. ALBRIGHT, an individual doing business as ALBRIGHT TRANSPORTATION SERVICE, to sell a certificate of public convenience and necessity for the transportation of special commodities between various points in southern California, pursuant to Sections 851-853 of the California Public Utilities Code.

Application No. 41552

SUPPLEMENTAL ORDER

It appearing that the Opinion of Decision No. 59387 inadvertently refers to operative rights issued by Decision No. 54414 dated January 22, 1957, instead of to Decision No. 53772 dated September 18, 1956, as amended by said Decision No. 54414, and it further appearing that public convenience and necessity require that such Opinion be amended to correct such reference to decisions,

Therefore, IT IS ORDERED that Decision No. 59387 in the above-numbered application be amended so as to provide that the operative rights to be transferred are those issued by Decision No. 53772 dated September 18, 1956 as amended by Decision No. 54414 dated January 22, 1957.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 26th day of January, 1960.
