Case No. 6310

SUPPLEMENTAL ORDER

Batteate Livestock Transportation Company, Inc., having on January 29, 1960, filed its Petition for Modification of Decision No. 59522 requesting that ordering paragraph 2 of said decision be modified so that the three day suspension shall commence on Wednesday, February 17, 1960, instead of the first Monday after the effective date of said order which is February 15, 1960, the reason for such modification being stated as follows:

'That any three day suspension of your petitioner's operating authority will have a severe and drastic effect upon its financial condition. Should the suspension be effective on Monday and Tuesday of any week, it would have an unfair and inordinate effect upon your petitioner. Your petitioner is informed and believes that should it be prohibited from providing service for Swift and Company on Monday and Tuesday, as required by the said decision in its present form, it will lose the said account. Such a result would undoubtedly force your petitioner into involuntary bankruptcy to its severe detriment and to the detriment of those shippers relying upon its service.'

And it appearing to the Commission that said decision will become effective February 8, 1960, and that such modification is in

the public interest and should be granted without further public hearing, therefore,

IT IS HEREBY ORDERED that ordering paragraph numbered 2 of said Decision No. 59522 is amended to read as follows:

2. That the certificate of public convenience and necessity to operate as a highway common carrier issued to Batteate Livestock Transportation Company, Inc., is suspended for a period of three consecutive days, commencing on Wednesday, February 17, 1960.

The effective date of this amendatory order shall be the date hereof.

Dated at San Francisco, California, this 8th day of FEBRUARY, 1960.
