BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)	
ELLIS J. FIELDS, doing business as)	
RESORT FREIGHT LINES, for authority)	
to sell his highway common carrier)	Application No. 40627
certificate and equipment to DONALD)	
G. VINES.)	

ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 59516, dated January 12, 1960, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of Donald G. Vines, doing business as Resort Freight Lines, unless prior to the effective date of that decision he shall have filed evidence of adequate liability insurance, in which event the order would be stayed. This carrier filed the required evidence of insurance on January 19, 1960, retroactive to December 18, 1959, staying the Commission's order. Inasmuch as evidence of adequate insurance is now on file, the order of suspension in Decision No. 59516, supra, will be vacated to clear the Commission's file.

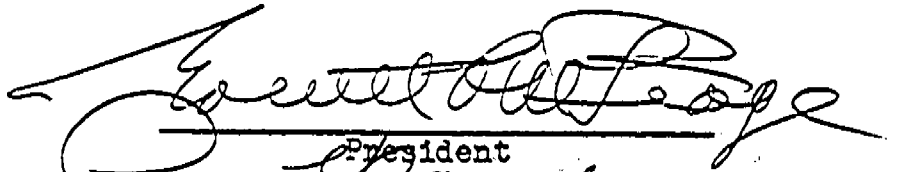

Donald G. Vines is hereby placed on notice that operations conducted without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. The carrier is reminded that the filing of evidence of insurance with a retroactive effective date to cover the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order. In the event he should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

Therefore, good cause appearing,

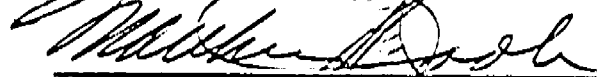

IT IS ORDERED that Decision No. 59516, dated January 12, 1960, in Application No. 40627, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 16th day of February, 1960.

President

Commissioners
