San Diego County, California.)	

O R D E R

San Diego & Arizona Eastern Railway Company is authorized to construct a spur track at grade across an unnamed county road along the northerly line of Lot 9 of Walmer's Subdivision, San Diego County, at the location described in the application. Applicant shall bear the entire construction and maintenance expense. Said unnamed county road is not improved at the point of crossing and this authority shall not be construed as authorizing the opening of said street across the spur track.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant declares that the industry to be served will require use of the facility at an early date and requests waiver

of the twenty-day waiting period. The effective date of this order shall therefore be the date hereof.

Dated at San Francisco, California, this 21st day of March, 1960.
