

Decision No. 59837**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
NORTHWESTERN PACIFIC RAILROAD COMPANY
for authority to abandon its Class "C"
non-agency station of Sequoia, in the
County of Humboldt, State of California,
to remove 595.5 feet of spur track at
said station, to eliminate reference to
said station from the Timetable, and to
cancel all tariffs to and from said
station.

Application No. 41932

O R D E R

The verified application of Northwestern Pacific Railroad Company filed on February 8, 1960 discloses that no passenger or freight business has been transacted at applicant's station of Sequoia, in the County of Humboldt, during the past year and that continued maintenance thereof is not necessary.

Notice of the application has been given to various parties thought to be interested and no protests have been received. A public hearing does not appear to be necessary.

It being found that public convenience and necessity no longer require the maintenance of such service, Northwestern Pacific Railroad Company is authorized to abandon its non-agency station of Sequoia, County of Humboldt; to remove a spur track at said station; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public. Such tariff changes shall quote this decision number as the requisite authority. This order shall not be construed as authorization to increase rates or charges.

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 29th day of March, 1960.
