Decision No. 59868

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SUBURBAN WATER SYSTEMS, a California corporation, for permission to borrow money and in connection therewith, to issue and sell its First Mortgage Series E, 5-1/2% Bonds under a Fourth Supplemental Trust Indenture to be dated as of July 1, 1959.

Application No. 41428

THIRD SUPPLEMENTAL ORDER

By Decision No. 59093, dated October 6, 1959, as amended, the Commission authorized Suburban Water Systems to execute a supplemental trust indenture and to issue and sell \$1,000,000 of bonds on or before December 31, 1959. Subsequently the time for the issue of the bonds was extended.

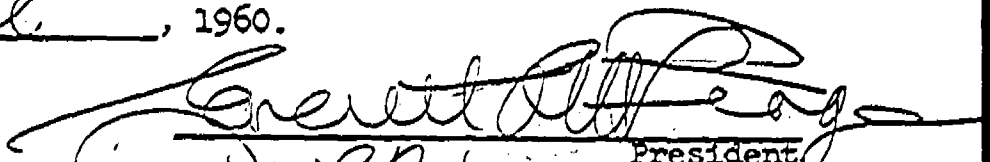

The Fifth Ordering Paragraph provided, among other things, that the authorization would become effective when the company filed with the Commission a copy of its Fourth Supplemental Trust Indenture modified as indicated in the decision. On March 15, 1960, the company filed the indenture so modified to meet the Commission's requirements. In order to permit the company to comply with the terms of the decision, as amended, it is deemed necessary to extend the time limit heretofore specified, therefore,

IT IS HEREBY ORDERED that the time within which Suburban Water Systems may exercise the authority granted by Decision No. 59093, dated October 6, 1959, as amended, be, and it hereby is, extended to and including June 30, 1960.

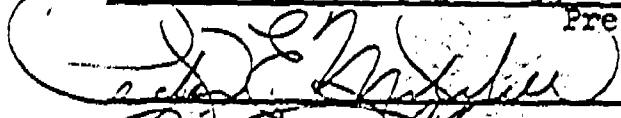

IT IS HEREBY FURTHER ORDERED that the Order in Decision No. 59093, dated October 6, 1959, as amended, shall remain in full force and effect, except as modified by this third supplemental order.

This third supplemental order shall become effective on the date hereof.

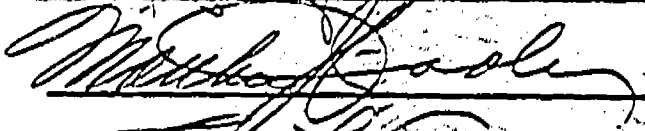

Dated at San Francisco, California, this 5th day of April, 1960.
