In the Matter of the Application of
Al Scannavino, an individual doing
business as AL SCANNAVINO TRUCKING
CO., for a certificate of public

as a highway common carrier for the
transportation of property.

Application No. 41549

ORDER OF MODIFICATION

By Decision No. 59700 dated February 23, 1960, Al Scannavino doing business as Al Scannavino Trucking Co., was authorized to transport general commodities as a highway common carrier between various points within the state. The authorization excluded certain commodities including (a) commodities requiring the use of special refrigeration or temperature control in specially designed and constructed refrigerator equipment and (b) liquids, compressed gases, commodities in semiplastic form and commodities in suspension in liquids in bulk, in tank trucks, tank trailers, tank semitrailers or a combination of such vehicles.

On March 9, 1960, applicant filed a petition requesting that Decision No. 59700 be modified by removing said exclusions from his certificated authority. Applicant alleges and the record supports the finding that he owns, maintains and operates both mechanically refrigerated equipment and tank equipment. He has conducted such operations in the past as a permitted carrier and wishes to continue both operations as a certificated carrier.

Therefore, good cause appearing,

IT IS ORDERED that First Revised Page 1 attached hereto is substituted in the place and stead of Original Page 1 of Appendix A attached to Decision No. 59700.

The effective date of the order shall be the date hereof.

Dated at San Francisco, California, this 5th day of April, 1960.
