Case No. 6148

DISSENT

I dissent from Decision No. 60046 in Order Denying Rehearing in Case No. 6148.

Petitioners, in urging a rehearing of Decision and Order No. 59926, have highlighted many of the deficiencies of said Order, such deficiencies providing more than sufficient reasons for reconsideration of this case by this Commission. In my opinion, the petition for rehearing should have been granted.
