ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 59955, dated April 19, 1960, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of Auto Purchasing Agency, Inc., unless prior to the effective date of that decision it shall have filed evidence of adequate liability insurance, in which event the order would be stayed. Auto Purchasing Agency, Inc., filed the required evidence of insurance on April 26, 1960, retroactive to March 16, 1960, staying the Commission's order. Inasmuch as evidence of adequate insurance is now on file, the order of suspension in Decision No. 59955, supra, will be vacated to clear the Commission's file.

Auto Purchasing Agency, Inc., is hereby placed on notice that operations conducted without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. The carrier is reminded that the filing of evidence of insurance with a retroactive effective date to cover the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order. In the event it should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

Therefore, good cause appearing,

IT IS ORDERED that Decision No. 59955, dated April 19, 1960, in Application No. 40492, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 24th day of May, 1960.

President

Commissioners
