The authority sought for the construction of a pedestrian crossing at 612.5 feet west of Maine Street (Crossing No. 6T-17.44-D) has already been granted by Decision No. 23377, dated February 9, 1931, in Application No. 17090, and therefore no new authority for such crossing is provided herein.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.
